

Manual controls - Midi

Supplied in polyester powder coated white or brown finish to match the chain openers and feature No-back clutches for security and wind loading.

Specifically designed for single or grouped vent applications the Teleflex Morse Midi operator incorporates the spent travel tube within its overall casing.

Handle 100mm (4")

Width 46mm

Length 384mm

Box 25mm Overall depth 83mm

Colours:

White, Silver and Brown

Key Features

- No feedback clutch for safety and security
- Cast Covers
- Apart from initial greasing during manufacture further lubrication of the operator is unnecessary owing to the use of low friction liner in the conduit.
